Title: Reinstatement of Inactive Certification		
Regulatory Authority: 12VAC5-31-1630		
Date of Issue: December 1, 2002	Effective Date: January 1, 2003	

- A. Any provider whose certification has been placed in INACTIVE status by the Office may request REINSTATEMENT of the INACTIVE certification using a form provided for this purpose after a minimum period of one hundred eighty (180) days.
1. Reinstatement of certification to ACTIVE status will require the approval of the OMD of the provider's licensed EMS agency before being processed by the Office. OMD approval is required for all EMS agency affiliations.
 2. Approval for reinstatement of the provider's certification to ACTIVE status; will not obligate any EMS agency to authorize the provider to practice at the reinstated level.
 3. Reinstatement of an INACTIVE certification will not be processed if the involved provider is not currently affiliated with a licensed EMS agency unless evidence is presented in writing from a licensed EMS agency demonstrating a need for current EMS certification as a condition of future employment or membership.
